

Photo Album for East Joliet Fire Protection District IN Job # 42610 W/O # 33156587 July 18, 2026

Your new Pierce apparatus is now in production at the Bradenton Florida facility. This week the fire pump began to receive valves and plumbing and the body was fabricated and began the paint process. Next week the fire pump could be joined with the pump house structure, and the body should continue with paint.
